DETAILED ACTION

Claims 67-72 and 75-78 are pending in this application.

Action Summary

1. Examiner acknowledges the cancellation of claims 51-66.

Statement of Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The claims are allowable over the cited prior art because the prior art does not teach, disclose nor make obvious a transfer resistant composition comprising a film former selected from block copolymer, and an additional film forming agent wherein the additional film forming agent is not a block copolymer or an alkyl cycloalkylacrylate. The closest prior art (DesLauriers et al. US 5,221,534) teaches transfer resistant compositions comprising as an addition film forming agent block copolymers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. Claims 67-72 and 75-78 are allowed.
